At the October Congregational meeting, the voters approved bylaws to govern the Fellowship Committee. The second paragraph of those bylaws explain the purpose of this committee. "The Fellowship Committee exists to promote Christian fellowship among the members of Immanuel, to promote Christian fellowship with members of other area WELS congregations, and to reach out to the community for the purpose of sharing God's love and advancing God's kingdom."

The dictionary says that fellowship is "friendly association, especially with people who share one's interests." Which boils down to "we like spending time together and genuinely enjoy each others' company." In our case, the fellowship is specifically Christian. Which is to say that love for Jesus binds our friendly association together, rather than some generic shared interest. But someone may legitimately ask, "How does Christian fellowship relate to the core purpose of the church?"

The Church exists to carry out Jesus' instructions to make disciples of all nations. We celebrate the sacraments and preach the word so that *we* may receive God's grace; but also to invite others in, so they too may share in the joy of God's salvation. Strictly speaking, we *could* carry out that mission without Christian fellowship. But only if we were unthinking, unfeeling robots concerned only with efficiency.

In actual fact, we are people with hearts alternately weighed down by troubles or filled with joy. And we have a human need to share those joys and sorrows with other humans. That sharing cannot happen in robotic, unfeeling fash-

ion. It requires a safe place, with caring relationships and people we know will support us. For that reason, Christian fellowship is an essential part of our mission as a church. We celebrate birthdays and show off our wheels and host a talent show. Not because these things are necessary for salvation. We do them because we want to have fun together and get to know one another and be better able to carry each others burdens.

One difficult aspect of this ministry is welcoming new people into the group. Any time you join a group, it takes some time to really feel like you belong. You need the people in the group to listen to your ideas, even if they are new and strange. You need them to accept your help, even if you do things differently. At the same time, you need to respect the traditions of the group, even if you think they are dumb. And you need to take time to listen and understand, even if you want to bring in a hundred new ideas. These things take time and patience. But most importantly, they take love. And that brings us back to why we have a church in the first place.

We gather together as members of the church because Jesus loved us. He loved us despite the ugliness of our sin and what it did to him. He loved us despite the fact that we still fail to love him and keep his commandments. The love of Jesus at work in our hearts teaches us how to love each other. It teaches how to welcome newcomers and treat them like part of the family. It teaches us to support and encourage each other as we follow Jesus.

May the Lord bless the work of the Fellowship Committee!

Pastor DeVries

C18

One-million souls. That is the goal. To share the gospel with one-million souls prior to and on Christmas Eve. That goal is part of WELS Congregational Services' C18 program. The only way to achieve that goal is for all WELS members, young and old, to embrace the privilege and responsibility of sharing Christ with unchurched friends, relatives, and neighbors. A simple way to do that—invite them to come with your family to your congregation's Christmas Eve worship service. A recent survey found that 80% of unchurched adults would seriously consider accepting an invitation, extended by a friend, to attend a Christmas Eve service. C18 walks you through this process step-by-step. For more information and to sign up to receive free weekly materials and encouragement, go to welscongregational-services.net/c18.

Christmas Party

Our group returned in September after having the summer off.

We collected food for MLC, and had a good selection to take to the college. We thank everyone who donated to this drive, the recipients of our donations are very appreciative.

We are sponsoring adopt-a-student again this year and will be keeping Emily whom we had previously.

During our October meeting, the committee for next years program presented the activities. It looks to be an interesting year, please join us on some of our outings, they look to be entertaining and interesting.

Happy Thanksgiving, a time to recall the blessing and gifts from God.

The Ladies Aid continues to sponsor **Emily Ash** through the "Befriend a MLC Student" program. The congregation is invited to be part of the effort.

We invite everyone to remember Emily throughout the year as she continues her studies as a Junior at MLC. Her address: 1995 Luther Court, New Ulm, MN 56073 or her email: ashem@mlc-wels.edu

Meetings: 2nd Sunday of the month at 5:30 at Grace with Supper Served.

G.I.L.L. is sad to say goodbye to Jean Horrmann as she retires from being a leader. We thank her for her years of service. If you are interested in helping the youth of our congregation, we could use another adult leader. G.I.L.L. leaders plan and lead youth events, make meals for regular meetings, and generally help make G.I.L.L. happen. We have regular meetings on the second Sunday of each month at Grace at 5:30p. And then each month we host an activity or an outing. This year we continue to have the old favorites (Skate-N-Place, lock-in) as well as try out some new ideas (Scavenger Hunt). G.I.L.L. invites youth from 4th through 12th grade to come and join the fun.

Church Decorating

On **Sunday, December 2**, at the end of the service we will finish decorating the tree. Each person in church will be given an ornament to place on the tree. During this time we will be singing Christmas Hymns.

A Door Offering will be held on Sunday, December 2nd and Sunday, December 9th for the children's candy bags that will be handed out on Christmas Eve.

Thank you.

- Our mission offerings are going toward the LWMS "Kids C.A.R.E." program for Kids Summer Bible Camps.

Advent Service

This year the Sunday School children will be participating in the special Advent service on December 9th by singing a song with the choir. The children and choir will also be singing the same song in the Christmas program. Their part is the first verse of Angels We Have Heard on High.

December 8

This year, we will be having our annual Sunday School Christmas Party after practice on December 8th in the meeting room. We will all meet together after practice to hear the story of Jesus birth, do some crafts and games, sing, and have lunch. Please be able to pick up your kids by 1:00 that afternoon.

Christmas Program

Copies of the service and songs will be sent home with the children. Please take note of the lines your children have to memorize, and help them learn and review these passages. The narration parts do not need to be memorized and will be read by the children. They just need to be comfortable with the words and be able to read them fluently.

During the month of December the children that attend Immanuel Lutheran School are encouraged to join us for Sunday School classes for some extra practice for the program.

Thank you to all you made a donation, helped with a fundraiser and/or participated in supporting the fundraiser and helped over the weekend. Without your help this wouldn't have been possible. We hope you enjoyed yourself, caught up with old friends and reminisced of yesterdays. We are truly blessed and thankful.

A book has been put together of all of the composites of the ILS School Days pictures starting in 1970. Along with all of the teachers and the buildings.

Next Meeting:

November 12 at 6:30p

PTF stands for Parents/Teachers/Friends. If you are a friend of Immanuel Lutheran School and Children of Grace Preschool, please plan to join us for the next meeting on Monday, November 12 at 6:30 PM at the school. Children are invited to come along and watch a movie in Mrs. Eckstrand's classroom.

If you are not able to attend the meetings, you can still support the school by giving monetary donations, helping with fundraisers, or saving General Mills box tops, Nature's Touch milk caps, and Village Hearth bread UPCs. Empty printer cartridges are also accepted. A basket for

these items is located under the table dedicated to school news in the church entryway.

Patio bricks may be purchased for the area in front of the school steps. These bricks will be engraved with family and student names as a memorial to beautify our school property. The proceeds will go into our new building

fund. A 4x4 brick costs \$40. A 4x8 brick costs \$60.

Will continue to take orders and order forms are available on the table in church.

The statewide health improvement program (SHIP) of McLeod Community Health Services helps provide grants for local schools to enhance opportunities for students to access healthy foods and be physically active during the school day. In order to participate in these grants, we need a Wellness Committee to create goals for our school in order to improve healthy eating and being physically active.

The committee would meet 4 times a year (quickly after a PTF meeting) and access our wellness goals. Let Brian Gephart know if you would like to be on this committee.

The School Association was established in 2006 with Grace Lutheran Church and Immanuel Lutheran Church. The Association is the overall governing body for the school. Any voting member of either Grace Lutheran Church or Immanuel Lutheran Church can vote at the Association meetings.

The responsibilities of the Association include:

- Acts as the calling body for the teachers
- Approves the annual school budgets before they are brought to the individual congregational voter's meetings
- Responsible for the school, including what is going on in the classrooms and the extra-curricular activities

The school board are the officers for the Association as they conduct the meetings twice a year, in the same way the church council runs the voter's meetings. At the meetings, in addition to the noted responsibilities listed above, the financial reports are also presented which includes the day-to-day reports and the investments. These investment funds are what is left from the Duesterhoeft donation that we received years ago. We have been trying to stretch these funds (Thrivent Mutual fund of \$42,705 and an Edward Jones Mutual Fund of \$49,752) as long as possible to ensure that the school can remain viable. Approximately \$10,000 per year is used from these funds for general expenses. These are NOT designated at this time for a building fund.

The building fund was started last spring when we received an additional donation from the Duesterhoeft Estate of \$14,685. It was a gift we were not expecting and seemed like good seed money for a building fund. In addition, another \$7,000 from the School's 100th Anniversary fund will be transferred to the Building fund.

The **Building Committee** members include:

Chair: Brian Lokensgard
 Vice-Chair: Ryan Bushman
 Secretary: Matt/Chrissy Forcier
 Steve Wendorff — Brian Gephart — Bruce Trick

The Building Committee for a new school has decided to recess meetings until School Board approves any action on building or remodeling.

Another extension of the Association is **PTF**. PTF (Parent, Teachers, Friends) is the PTO for Immanuel Lutheran School and Children of Grace Preschool. Members of Grace and Immanuel that are interested in what is going on at the school are encouraged to attend a PTF meeting as well as parents of the children not affiliated with Immanuel or Grace. Those that are in attendance may vote on activities conducted at PTF as well as help with fundraising, play props, class parties, Orange Spectacular, or what ever activity is planned.

PTF helps with fundraising efforts to provide additional monies for the sports programs (court rental, refs, tournament fees, uniforms, etc.) as well as paying for half of the cleaning expenses for the school, and other extras as they come up.

Recently, a **survey** was conducted asking several questions of Immanuel and Grace regarding the school to get a feel for the knowledge of the congregations and to start conversations about the future. The results (see right) show us that we need to help the congregations become more knowledgeable about the day to day, the building, and our possible plans for the future. We are working on getting some drawings made of a potential new school building and would like to gather some more facts and figures about the process of building. Then, we'd like to have a joint meeting with Grace and Immanuel to discuss our future as a school. *There will be an informational meeting regarding a new school building project the first part of January 2019. Everyone welcome!!*
