

BUILDING~FAITH~FOUNDATIONS

Immanuel Lutheran School and Children of Grace Preschool is embarking on an exciting time for our congregations. This newsletter will be one of several produced over the coming weeks to update our members regarding the exciting happenings at ILS/COG and to give timely information.

Building~Faith~Foundations is the theme or "catch phrase" for our stewardship emphasis. Through this Stewardship Emphasis, by studying God's Word together, we will grow in the grace and knowledge of our Lord and Savior Jesus Christ.

Jesus is the guide of all our earthly decisions, and it should be with Him that we begin planning for our building. A building is nothing more than a tool to do ministry. It is our belief that both spiritual and physical growth will help us at ILS/COG to continue *Building~Faith~Foundations* for years to come.

The upcoming weeks will contain special worship opportunities, Bible studies centering on stewardship themes, offering of home prayer booklets, and a variety of other ways for you to connect with God's Word. This appeal is not just about asking for money, but will be an opportunity to grow in one's faith and encourage a joyful response to God's grace.

OUR GOAL

The Celebration Goal for this project is \$700,000. This goal will be made up of initial cash gifts and/or three-year commitments toward the construction of a new school. Commitments for the building project should be over and above our regular and proportionate weekly offerings.

GROUP PRESENTATION SESSIONS

You are invited to come and hear for yourself what this Stewardship Emphasis is all about during one of the upcoming **Group Presentations**. If you already attended the *Leadership Workshop*, it is not requested to attend a **Group Presentation**, however, you certainly are welcome to attend.
