

**Luke 11:9-11-“Ask & it will be given to you; Seek & you will find; Knock & it will be opened to you.”**

## **WEEK 1**

### **MONDAY PRAYER**

Almighty God, when Moses called on the Israelites to gather offerings for the construction of the Tabernacle your grace moved them to give generously. Generations later when Solomon undertook the construction of the Temple you again moved the hearts of your people to supply all that was needed. Today we ask that you would send your Holy Spirit among us to enable us to go forward with our building project. In view of your mercy prompt us all to respond with joyful and generous gifts as other generations of believers have done. In our Savior's Name we ask these things. Amen.

### **TUESDAY PRAYER**

Lord Jesus, Lord of the Church, we humbly and confidently come to You, our Savior, for Your guidance and direction for our congregation and its building project. O Good Shepherd, You have restored our souls; be pleased also to lead our congregation on all the right paths as we undertake this huge endeavor. Guide all those who will be involved in carrying out this project. Direct all things to be done to your glory, for that will mean that it will be for our good also. Into Your hands we commit our congregation and our leaders, O living Redeemer and Good Shepherd. Amen.

### **WEDNESDAY PRAYER**

Lord, we praise and thank you for the great things you have already done for our congregation and for each of us individually. Fill us with a desire to share what we know of Jesus. Guide us through the Scriptures to know your will, and bless our efforts to carry out your will with our building program. In Jesus' name we pray. Amen.

### **THURSDAY PRAYER**

LORD God, our Rock and our Redeemer, you are always more ready to answer than we are to ask. Forgive us for being timid in our prayers and for underestimating the abundance of your grace and the extent of your power when we pray to you. Truly we can never ask too much of you and so we ask for your abundant blessing on our congregation's leaders, our stewardship emphasis, and our building project. Today, we boldly and confidently ask you to open the storehouses of your love and to provide all that we ask. In Jesus' Name we pray. Amen.

### **FRIDAY PRAYER**

Dear Lord, we realize that you are well able to spread your Word abroad without our feeble efforts, but we pray that you would allow us to be your servants. Because we believe we could better serve you with expanded physical facilities we ask your blessing on our congregation, enabling us to move forward with our school expansion so that we may continue to bring ever more souls into your kingdom. We pray that you will open the ears of all to your wonderful gospel message. In Jesus' name we pray, in your promise to hear our prayer. Amen

**Psalm 119:133—"Direct my footsteps according to Your Word."**

## **WEEK 2**

### **MONDAY PRAYER**

Heavenly Father, you have blessed our congregation with many gifts, talents, and abilities. As we move forward in our school building program, we pray that the hearts of our members respond with their time, offerings, and talents. This joyous hymn text says it so well, "Now thank we all our God with hearts and hands and voices." In Jesus' name we pray. Amen.

### **TUESDAY PRAYER**

Dear Father in heaven, you are the Giver of all good things. Thank you for your many blessings that you pour out on us daily. Have mercy on your servants, Lord, as we plan for how best to carry out your command to share your saving message with all people. Give us wisdom to make important decisions that are pleasing to you. Give us strength to stand up against the forces of evil that attack our faith and our mission. Give us courage to move forward in acts of loving service and giving to accomplish the work you set before us. We know that you can do far more than we can even ask for or imagine. To you be praise! Amen.

### **WEDNESDAY PRAYER**

Gracious Lord, you have provided God-fearing leaders for your Church. The work they have before them may be challenging and will require many extra hours of service. Remind them that this work is all for you and for your glory. Look on them with favor as they strive to do what is right in your sight. Guide their thoughts, words and actions that they may always be a reflection of your Son who has saved us all. In our Savior's name we pray. Amen.

### **THURSDAY PRAYER**

Lord of the Harvest, you have provided faithful shepherds for your flock. We thank you for sending our pastors to serve among us. Keep them faithful to you and your Word that all they think, say and do may glorify you. Keep them from temptations that threaten to destroy their faith and trust in you. Bless them in their work and lives, that all who hear the message they preach may praise your holy name. Hear us, Lord, for Jesus' sake. Amen.

### **FRIDAY PRAYER**

Heavenly Father, as our congregation moves forward in its school building project, we ask for your blessings on our your people. May our decisions be God-pleasing and in the best interests of our congregation and school. May all things be done to your glory, O Lord. Amen.

**Deut 11:19-“Teach them to your children, talking about them when you sit at home and when you walk along the road, when you lie down and when you get up.”**

## **WEEK 3**

### **MONDAY PRAYER**

Dear Lord, we thank and praise You for your many gifts and blessings. You carried the punishment for our sins so that we might have eternal life in heaven. No other God could grant us the promise of eternal salvation. You alone are the source of all blessings. We thank You for your guidance and direction in sharing Your Word with others. Lord, You have commanded us to make disciples of all nations. Bless our efforts to tell others about You as we move forward in our school building project. Move our hearts to respond to the needs of others as You have blessed us. Amen.

### **TUESDAY PRAYER**

Dear Lord, thank You for leading our congregation to carry out Your great commission in preaching the gospel. To grow in God's Word and to share it with everyone is the mission of this congregation of believers. Bless our congregation of believers and our pastors as they guide us through God's Word to be good stewards of what you have given us.

Through the Holy Spirit help each of us to respond in faith so that Your kingdom may grow. In Jesus' name. Amen.

### **WEDNESDAY PRAYER**

Heavenly Father, we come to you with heartfelt gratitude for all the blessings You have bestowed on us. We know that we deserve none of Your gracious gifts. May the Holy Spirit open our hearts so that we may freely and humbly support the effort that is being made to raise funds for our building project. We need reminding that what God has so richly supplied us with is His – and we are to use it to glorify Him. We pray this in Jesus' name. Amen.

### **THURSDAY PRAYER**

Lord, we love You because You first loved us. In sending Your Son to save us, You have given us more love than we could ever give back to you. We welcome opportunities to serve You, to praise You, and to share You with others, especially the little ones You have entrusted to us. We thank You for all that You have done for us. We thank You for this opportunity to reach out in love to others by expanding our school. All praise be to You, O Lord, for the love of Jesus. Amen.

### **FRIDAY PRAYER**

Heavenly Father, we praise and thank You for the faithful and determined people who started and continue to support Immanuel Lutheran School. May You continue to bless all of us as we move forward to expand our school and outreach in the Hutchinson community and surrounding area. Thank You, Lord, for Your many blessings and the blessings You have bestowed on our children. May we continue faithfully to pass these Christian values on to future generations. In Jesus' name we pray. Amen.

**2 Corinthians 9:7-**  
**“Each man should give what he has decided in his heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.”**

## **WEEK 4**

### **MONDAY PRAYER**

Gracious God and Father, we thank you for giving us your true Word. We ask that you would guide us and our pastors and teachers. Through Your Holy Spirit preserve us in the true faith. We are reminded how disregarded Your Word is in this world, Lord, when we look around and see so much sin and little evidence of belief in the Scriptural truths proclaimed by Your Word. In Your mercy please keep our doctrine pure, sustain our faith and help us remain in Jesus' love as members of His Holy Christian Church on earth. Amen.

### **TUESDAY PRAYER**

Gracious Lord and God, You are the creator of all things. As we plan our Christian Day School expansion, help us to remember that “we give Thee but Thine own, whate'er the gift may be; all that we have is Thine alone, a trust, O Lord, from Thee.” We pray that our gift to this special project might be pleasing to you and beneficial in growing little hearts to know Jesus' love. Praise be your holy name. Amen.

### **WEDNESDAY PRAYER**

Dear Lord, we thank you for the individuals and families of our congregation. We pray that you would keep us in your care concerning our earthly needs, (health, jobs, and finances) as well as our spiritual needs. We pray that the Holy Spirit will guard us and help us grow in faith and love. Hold dear in our hearts this family of true believers. With Jesus' love in our hearts we pray. Amen.

### **THURSDAY PRAYER**

Dear Lord, You have blessed our congregation for decades. Through the efforts of our members, pastors and teachers, whom you have placed here, we have received the gift of your true Word, which is the source of our salvation. By Your grace you enabled families to see the need and importance of building on Jesus' love. Please give them wisdom, courage and financial resources to expand our Christian school so more children can grow in Jesus' love and salvation. Grant us trusting and willing hearts and minds so that we may meet the challenges that lay before us. We ask for your continued guidance and blessings so that we may further our growth in Your Word, in our faith and in our service to you. Amen.

### **FRIDAY PRAYER**

Dear God, our congregation has been so richly blessed. With the busyness of our daily lives, we become blinded to that and take Jesus' love for granted. The blessed richness of your pure Word is beyond compare in this world today. It is Jesus' love and unbroken promises that have won salvation for us. We pray for direction that will enable us to share your true Word as a beacon of light to as many souls as possible. You have entrusted much to us, Lord. Help us decide what portion we will return to you to fund the growth of our Christian Day School. With the faith you have given us we pray. Amen.
